

# Epson TM-T88VI Series

Reliable, fast receipt printer with mobile connectivity, which makes it easy to add web and mobile POS services to a traditional PC-based POS system.

The TM-T88VI is Epson's new state-of-the-art receipt printer, designed to work with both traditional PC-based POS systems and increasingly popular web and tablet solutions. This makes it perfect for shop, bar and restaurant owners who want to develop effective new ways of interacting with customers, and also for those who just want to run a traditional or permanent combined system

## Versatile

The versatile Epson TM-T88VI receipt printer offers retailers, restaurants, bars and other commercial businesses the chance to explore web and mobile POS solutions without losing the functionality of a traditional PC-based system, as both can be run in parallel. This co-existence means users can migrate at the speed they want, run both systems at once, or just stick to a traditional setup.

## High performance and low running costs

As well as flexibility, the TM-T88VI gives outstanding performance, with print speeds of up to 350mm/s, and excellent reliability. A backward paper-feeding function helps save paper without affecting performance, reducing running costs and paper waste.

## Flexible connectivity

Server Direct Print functionality allows the TM-T88VI to print direct from a web server. It also supports beacons, to help mobile devices identify the nearest printer, making it ideal for POS environments with multiple printer installations, while NFC support makes it easy to pair tablets, smartphones and other mobile devices.

## Compact desktop

The TM-T88VI has exactly the same footprint as the TM-T88V, allowing you to upgrade to a brand new system without having to rearrange your counter space, and is available in both black and white to suit any shop, bar or restaurant decor.

## DATASHEET

## KEY FEATURES

- **Fast print speeds**  
Print at speeds of up to 350mm/s
- **Proven reliability**  
Epson's proven track record for reliability
- **Co-existence**  
Allows PC, mobile and web connection at the same time
- **Server direct print**  
Print directly from web server to any connected receipt printer
- **Beacon support**  
Lets mobile devices print to the nearest available printer

## PRODUCT SPECIFICATIONS

<b>FONTS &amp; STYLES</b>	
Column capacity	Paper width 80 mm, 58 / 80
<b>PAPER</b>	
Paper size	79.50 ± 0.50 (W) mm x dia 83.00 mm, 57.50 ± 0.50 (W) mm x dia 83.00 mm
<b>FONTS &amp; STYLES</b>	
Print Speed	350 mm/sec
Print Speed (default)	300 mm/sec
Printing Font	ANK
Column capacity receipt	Paper width 80 mm, 58 / 80
Character size	12 mm (W) x 24 mm (H) / 99 mm (W) x 24 mm (H)
Character set	95 Alphanumeric, 18 set International, 128 x 43 Graphic
Printing Characters	Text (incl. Euro symbol), Graphics, Barcode
<b>INTERFACES</b>	
Interfaces	USB 2.0 Type A, USB 2.0 Type B, Powered USB (optional), Parallel (optional), RS-232 (optional), Ethernet interface (100 Base-TX / 10 Base-T), Wireless LAN IEEE 802.11b/g/n (optional), Wireless LAN IEEE 802.11a/b/g/n (optional), Drawer kick-out, Bluetooth (optional)
<b>DATA BUFFER</b>	
Data Buffer	4 kB or 45 Bytes
<b>POWER</b>	
Power Supply	PS-180, AC cable
Operating voltage	24 V
<b>GENERAL</b>	
Product dimensions	145 x 195 x 148 mm (Width x Depth x Height)
Product weight	1.6 kg
Colour	Black / White
Installation	horizontally, wall hanging
Interface connectors	D.K.D. function
Humidity	Operation 10% - 90%
Temperature	Operation 5° C - 45° C, Storage -10° C - 50° C
<b>OTHER</b>	
Warranty	48 months Carry in

## Epson TM-T88VI Series

### WHAT'S IN THE BOX

- Connector Cover
- Main unit
- PS-180 & AC cable
- Paper spacer
- Power switch cover
- Roll paper
- Setup guide
- Warranty document

### OPTIONAL ACCESSORIES

- WH-10 (040) Wall hanging bracket  
C32C845040
- Epson OT-BZ20-634:OPTIONAL EXTERNAL BUZZER for T20/II, T70II and T88V  
C32C890634
- Epson OT-WL02 (739): Wireless LAN Dongle, 2.4 GHz  
C32C890739
- Epson OT-WL05 (737): Wireless LAN dongle, 2.4 and 5 GHz  
C32C890737
