

Reliable Cutter:

The MP24 features Advanced Manual Cutter (AMC) technology. Ensure fast, clean paper cutting from the push of a button. Additionally, drop-in thermal paper loading makes it easy to reload when you're on the go.

Fits in your Palm:

This 2-inch device is smaller than most cell phones! Sleek and easy to hold, this printer is structurally designed for on-the-go use so you can print from the palm of your hand.

High-Speed Processing:

The MP24 is one of the fastest mobile printers on the market. With 100mm per second printing speed, you can print and process quickly and efficiently. Take the MP24 on the go so your business never has to slow down!

Connect and Communicate:

Easily pair your MP24 printer with other devices to ensure rapid connection. Flexible communication features include standard USB interface and Near Field Communication (NFC) functions to enable WiFi and Bluetooth compatibility.

Durable and Compact:

The MP24 is IP43 certified, making it dust and water resistant. Print and process indoors or outdoors with the printer's strong protection against the elements.

Suitable for Many Industries:

This lightweight, thermal printer is designed to print receipts and barcodes across all industries. The MP24 is great for food delivery, hospitality, transportation, delivery, and more! Mobilize your enterprise with the MP24.
