

PX-900II

Thermal Receipt Printer

Triple Interface
Ethernet + USB
+ Serial

Celebrating 10
years of Nexa
printers in Australia

Now in the tenth year of Nexa receipt printers in Australia, the Nexa range has been a resounding success, with units in use right across the country in applications of all shapes and sizes, including the very demanding 2018 Commonwealth Games merchandise outlets.

The PX-900II is the newest in the range, with upgraded print speed, (now 300mm/sec), and a stylish, more compact design.

- Triple interface USB, RS232 and Ethernet included.
- Compact footprint.
- 300mm/sec maximum print speed.
- ESC/POS emulation provides compatibility with virtually all Windows based POS applications available.
- Stylish combination of matte and gloss finish.
- 2 year return to base warranty as standard, with optional upgrades.

Optional advance
replacement warranty
upgrade available

Specifications
